

FACILITIES

SMG for Healthcare

From patient safety to critical asset management, SMG handles it all — so your sites can focus on patients, not repairs.

24/7 EMERGENCY REPAIRS

- Immediate response to urgent issues
- 24/7 availability for unforeseen circumstances

PREVENTATIVE MAINTENANCE

- HVAC Systems
- Critical equipment upkeep (X-Ray, MRI, etc)
- Asset tracking to maximize lifecycle

REGULATORY COMPLIANCE & SAFETY

- ADA accessibility systems
- Life safety systems (fire suppression, alarms, emergency exits)

DEEP CLEANING AND SANITIZATION

- Floors, Restrooms, Kitchens

PLUMBING AND WATER SYSTEMS

- Drains, Leaks, Hot Water Supply

ELECTRICAL / LIGHTING

- Backup power for outages to maximize critical equipment uptime

GROUNDS MAINTENANCE FOR SAFETY

- Snow removal, walkways, parking lots

24/7 EMERGENCY REPAIRS

ONGOING KPI MONITORING

30 YEARS IN BUSINESS

Helping multi-site operations escape the stress of facility maintenance since 1996
